William Ruhm has invited you to **edit** the following document:

RESOLUTION DRAFT April 15.docx

Hi Dennis,

In preparation for our meeting today at 12:00 at Andala, I want to send you a re-drafted version of our resolution for Cambridge to boycott HP Inc. and HPE.

We re-drafted it in order to try to address concerns that Marc McGovern and Jan have expressed that it needs to apply to issues of human rights more broadly around the world than just HPE and HP Inc. and Israel, while still highlighting those companies and Israel to a certain extent. We are meeting with Marc and Jan tomorrow, and it is possible they may ask for further changes to be made, about which we will keep you posted.

Yours,

William
